V.V. 4-23-114

FROM

B. V. RAMAIENGAR, ESQ., B.A.,
Conservator of Forests in Mysore.

To

K. Matthan, Esquire, B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

SIR,

With reference to Government Order No.G.8007-8010/VV.4-23 dated Bangalore the 24th November 1923, sanctioning the purchase of an oil engine and pump for the use of the Kheddas during the last Viceregal Visit, I have the honour to state that it worked very efficiently during the Kheddas and it is very desirable and necessary that such a pump should always be in the Khedda store available for use, at any time required by us. The cost as per bill sent to me by the Firm amounts to Rs.1,266, "F.O.R" Madras and the Railway freight on the same comes to Rs.89-5-0 up to Mysore and it is not worthwhile to dispose it of at an auction sale at a sacrifice price. Pending orders on this recommendation, the Engine has been thoroughly cleaned, greased and oiled and kept safely in the Khedda stores at Kakankote. I, therefore, request that sanction of Government may be kindly obtained to modify the original order and permit the engine and pump to be kept in the Khedda stores.

I have the honour to be,
Sir,
Your most obedient servant,

Conservator of Forests.
